

Your Heart's Condition

The time is now to put tradition to rest
When salvation is judged by the way that we
dress
No makeup, no jewelry, no pants on
We're more concerned about the flesh than
we are the soul

The way we live is beginning to show
The things we do in secret, behind closed
doors
Envy, back-biting, sexual immorality
It's all coming out of the darkness for all men
to see

You come to church every week
And you only get excited when the organist
plays that beat
You haven't read your Bible, or been down on
your knees
But when Sunday morning comes, you're
leaping over seats

Chorus
God's concerned about your heart's condition
"You praise Me with your lips, but your heart
is far from Me"
And He's concerned about your heart's
condition
He's concerned about what's going on on the
inside

Bridge
We must worship God in Spirit and Truth
And that's not based on how we feel
We say one thing, and live something else
God wants a church that's going to be real

Vamp
Clean it up
Your heart's condition (2X)
It ain't about shouting on Sunday
Then raising hell on Monday

It's about walking every day
In the straight and narrow way
Your heart's condition
Clean it up

It ain't about the clothes you wear
Nor the style of your hair
It's about the way you walk
Your relationship with God
Your heart's condition
Clean it up

The bible says the heart is full of wickedness
and deceit
"Clean it up," says Jesus, "if you're going to
follow Me"
Your heart's condition
Clean it up

Matthew 15:8-9

The Holy Spirit

The Holy Spirit is a Person, for He can be grieved
He teaches and He guides us, if we'll let Him lead
He comforts and gives hope, He won't speak on His own
But only what He hears from the Father and Son, and Christ He'll make known

The Holy Spirit is God, for He's everywhere at once
He teaches with all knowledge, and He, the Father and Son are one
He'll convict the world of guilt in regard to their sin
And in regard to judgement because Satan now stands condemned

Chorus

We need to give Him the honor He deserves
He's not a blowin', rushin', mighty wind
He's a person and He's God
And He's worthy of our love
Almighty Counselor and Friend

Bridge

He's worthy; lift Him up (4X)

Vamp

The Holy Spirit, He's worthy
The Holy Spirit, He is worthy of our praise (3X)
He's worthy

ad-lib

He won't have to drop by
Because He's living on the inside
He's a Person and He's God
He's not an "it"
And He's worthy of all our love

John 16:7-15

I'm a Stranger Down Here

I'm a Stranger down here
This old world is not my home (2X)
For Jesus is coming for me one day
And with Him I'm gonna fly away
I'm going home to live with God eternally

You may treat me wrong down here
This old world is not my home (2X)
I'll just hold my peace and say
"Revenge is God's and He'll repay"
'Cause I'm going home to live with God
eternally

You may store up treasures here
This old world is not your home (2X)
For where your treasure is there's your heart
But with nothing you'll depart
So why don't you store up all your treasures
up above

Chorus
I wanna be ready when He comes back for
me (4X)

Vamp
(Choir) I wanna be ready...
No one knows the day
No one knows the hour
When the Son of Man is going to return
In all His glory and power

Two men working in the fields
Two women grinding with a mill
Two are going to be taken
The others left standing still

Gabriel stands out on a cloud
Blow your trumpet loud
The Bible declares that the dead in Christ
shall rise

Gather My saints from the east
Gather My saints from the west
Gather My saints from the north and south
They're gonna stand in righteousness

Every knee shall bow
And every tongue confess
That Jesus Christ is Lord and King
In all of His holiness

He'll divide the goats on the left
And put His sheep on the right
To the saints of God He's gonna say
"Come on up, you've fought a good fight"
But to the lost He's gonna say
"My words you wouldn't receive
And now you'll pay the awful price
Separated through eternity"
2 Corinthians 5:1-10

Judgement Day

What a shame it would be if on the
judgement day
You were preparing to meet the Savior face
to face
You step up before the throne thinking all in
your soul is well
Only to find out you've got a one way ticket to
hell

It's too late to pray

Matthew 25:31-46

You said, "Lord, what did I do? What did I do
wrong?
I cast out devils in Your name and many
miracles I performed"
But He said, "But when I was hungry and
cold My body you didn't feed
If you did it to the least of My children, you
did it to Me"

Up to the throne stepped Mr. Liar proud and
bold
Ready to tell his story greater than it's ever
been told
But Jesus knows his heart and he hasn't
even said a word
"Keep right on walking, I don't want to hear it,
your lies I've already heard"

Here comes Mr. Rich Man flashing hundred
dollar bills
He lived in a mansion way up on the hill
He thinks this time he's gonna buy his way in
"Put your money away, it don't carry no
weight, that stuff ain't no good here"

Chorus
Depart from me into eternity
Depart from me, I know you not
Into a place prepared for Satan and his imps
Into a place where pain shall never end
You're trying to say a prayer, but your prayers
won't be heard
It's too late

I'm Holding On

I am holding to my Savior's hand
On the solid rock in Christ I stand
Sin is running rampant through the land
But I'm holding on

I'm holding on
And I won't let go His hand (2X)
Sin is running rampant through the land
But I'm holding on

Hold on. Because troubles won't last always
Hold on. Because a crown of life for you awaits
Sin is running rampant through the land
But I'm holding on

Keep holding on. Don't give up the fight
Keep holding on. Keep heaven in your sight
Keep holding on. We've got to fight to win.
Keep holding on. We're victors over sin
And I'm holding on

Hebrews 10:23

He Comforts Me

The Lord is my shepherd, I shall not want
He maketh me to lie down in pastures so green
He leadeth me beside the cool and still waters
And He restoreth my soul. He restoreth my soul

The Lord is my light and my salvation
Whom shall I fear?
The Lord is the strength of my life
Of whom shall I be afraid? Of whom shall I be afraid?

Chorus
He comforts me
When I'm in doubt
And I'm tossed all about
He comforts me. Jesus comforts me

Psalm 23 & 27

God Shall Supply Your Needs

Chorus

God shall supply your needs
According to His riches in glory

Paul said, "I know what it is to be in want
And I know what it is to have all I need"
He said, "I have learned the secret of being content
In whatever state I might find myself in
I can do everything through Christ who gives me strength
And I found out that He's all the strength I need"

Jesus said, "Don't worry about your life
What you will eat, what you will drink, or what you shall wear
Isn't your life more important than food
And your body more important than clothes?"
He said, "Look at the birds that fly in the air"
He said, "Your father feeds them, but so much more for you He cares"

Vamp

Teach me how to wait on you, Lord (2X)
Teach me how to be content
In whatever state I might find myself in
Teach me Lord

Philippians 4:19

You Still Want Me

Lord, when I think about myself and how wretched I am
And how I've fallen so short of Your plan
Then I remember that You know all and my heart You can see
And You whisper that You still want me

It's my heart's desire to be a vessel in Your service, dear Lord
Some days I struggle so very hard for this to be
Then You show me in Your word
That it's not by my strength that I'll succeed
Then You whisper that You still want me
I can hear Jesus sweetly saying

Chorus

"My child, My child, I love you, My child
In-spite of all your faults and your fears
If you were perfect in your walk
Then you wouldn't need Me
So your strong tower I forever will be"

Psalms 103

Psalm 18

I love you, Oh Lord, my strength
The Lord is my rock, my fortress and my deliverer
My God is my rock, in Whom I take refuge
He is my shield and the horn of my salvation, my stronghold
I call to the Lord, Who is worthy of praise
And I'm saved from my enemies

Take Me Higher

Take me higher, take me higher
Take me higher, higher in Thee, Lord
Take me higher, take me higher
Lord, I wanna go higher, higher in Thee

It's my desire, to go higher...

With a song, take me higher...
When I sing, "Oh, how I love Jesus"

Through Your Word, take me higher...
1. When I read, "The Lord is my shepherd I shall not want"
2. When I read, "The Lord is my light and my salvation whom shall I fear?"

Through my praise, take me higher...
1. When I raise my hands in praise to you, Jesus
2. When I come into your presence, I wanna praise you

Isaiah 55:6-9

God Is Holy

God is a holy God and He's worthy to be praised
He is righteous and just in all His ways
With an unclean heart you cannot enter in
For my God's Word is true and He won't stand for sin

God is a mighty God and He will answer prayer
In your secret room, you'll find Him waiting there
He says, "Spread My love abroad wherever you may go"
He says, "Be ye holy for I your God am so"

Let's talk about Daniel in the lion's den
He just prayed to his God, and they threw him in
The king came down on the next day
He was a little bit worried and just a little dismayed
He cried out to Daniel in the lion's den
Did your God deliver or did you meet your end?"
Daniel cried out, "King, I'm all right"
He locked the lion's jaws, and I slept all night"

Let's talk about Shadrach, Meshach, & Abednego
Three Hebrew boys who loved the Lord
King Nebuchadnezzar built an idol one day
When you hear the music playing he said "Fall on your knees and pray"
But the Hebrew boys said, "King we won't bow"
We serve the God of the living, the before, the after, and now"

The king got angry and he called his men
He said, "Heat the fiery furnace seven times hotter than it's ever been"
But then said the king, "Look here I'll give you another chance

For what kind of God can deliver you out of my hands?"
But then said Shadrach, Meshach, and Abednego
"The God we serve is able, but we want you to know
That even if He doesn't or if He decides to
We ain't gonna bow to your god and we won't serve you"

He said, "Tie them up cast them into the flame
How dare they defy me, dishonor my name"
The king stepped down. They tell me he looked in the door
"Didn't we cast in three men, but tell me why do I see four?"
They're walkin' around unbound in the fire
And the fourth man looks just like the Son of God"

Chorus
God is holy (holy). We must worship in spirit and truth
For God is holy (holy), in whatever we say and do
God is holy (holy). We can worship Him in song
The angels all around the throne are singing holy all day long

Bridge #1
Holy is the Lamb of God, holy
Worthy to be praised forever, holy

Bridge #2
The God we serve is holy (holy)
And He's worthy (worthy)
To be praised (praised)
